

Open Enrolment MEN'S LEADERSHIP BOOT CAMP

Challenge Yourself - find out what type of leader you really are

26-28 OCTOBER • PERTH

FORGET leadership courses where you sit in a classroom looking at yet another PowerPoint presentation.

Break away from the ordinary and join us on an action-packed, three-day experiential leadership journey in the outdoors which will strengthen and hone your core leadership skills.

Unlike other boot camps, the emphasis of Outback Initiatives isn't on physical prowess, but on honing and toning your leadership capabilities, interpersonal skills and potential.

Learn how to perform under pressure. Understand how your leadership style impacts others. Build an instant personal and professional network with other leaders. **Do it all while undertaking complex consequence-based problem solving which requires you and your team to succeed to move forward.**

For the adventure seeker and lifelong learner in you, our experiential learning programs increase self-awareness and change learned behaviours. You'll undertake a 'gap-analysis' to see if you can successfully apply everything you have learnt about leadership, through real-time challenges. Our process compresses major gains in a short period of time to help you achieve your goals.

WHAT WILL I EXPERIENCE?

- A wild three-day journey through stunning scenery. Our 24 years experience means we know that we're doing - and we'll deliver the right mix of challenging and fun activities for you to experience
- No commando-style bullying and yelling and NO role plays!! You will be guided through a variety of leadership challenges to understand your key leadership strengths and weaknesses, and areas you can target to improve your leadership.
- Practical team and personal challenges. Learn how to perform under pressure. Understand how your leadership style impacts others. Practise making critical decisions in ambiguous situations and adapt to changing circumstances.

"I expanded my knowledge and awareness of myself, along with an improved understanding of the human condition, comradeship and leadership in all its ways, shapes and forms. The bonds formed along the way will be far reaching and long lasting. It was a true privilege to participate in the programme, from the consummate professionals that were our facilitators to the incredible surroundings- this was an experience of a lifetime."
– Fred Steer, Brookfield Rail
